

PARTICIPATION LIST

The Participation List includes all employees from your company who are eligible to compete in the Kansas City Corporate Challenge (KCCC) and have completed their electronic waiver through Challenge Manager.

The KCCC Office will download each company's official Participation List from Challenge Manager at **5:00 p.m. on Wednesday, March 25, 2026**. This version will be used for all KCCC events throughout the season.

Copies of each company's Participation List will be available on-site at every event for KCCC staff reference. **Only individuals listed on this official Participation List will be permitted to compete.**

Coordinator Responsibilities

As the **Company Coordinator**, you are responsible for ensuring that:

- All eligible employees have created a Challenge Manager account and signed the electronic waiver before the March 25 deadline.
 - Your company's Participation List in Challenge Manager is accurate and up to date.
-

Purpose of the Participation List

The Participation List serves two key functions:

1. It provides KCCC with the names and ages of the employees authorized to represent your company in the Games.
 2. It confirms that each listed participant has signed the electronic waiver.
-

Identification Requirements

A **valid driver's license or photo ID** may be required before any competitor or substitute is allowed to participate.

Please remind participants to bring photo identification to all events—**random ID checks** will be conducted on-site.

Age Requirement

All participation eligibility is determined by the **age an individual will be as of December 31, 2026**.
